

MSA
The Safety Company

By downloading the MSA ALTAIR Connect App from Google Play and pairing with any compatible Android* device, your gas detector can be turned into an enhanced safety and productivity tool.

- Receive gas detection readings, alarms and man-down alerts
- Send emergency SMS text notifications with GPS location# to single or group recipients
- Short-range replication of live instrument readings

- Configure instruments remotely, without the need for a PC
- View and email# event record

- View and email# calibration certifications
- Awareness of lone worker or remote instrument events
- Platform allows for integration of third-party engineered systems or subscription safety services
